

## Oncoplastic Partnership Hands-on Skills Course

Thursday, May 4, 2023

Fairmont Hotel, Whistler

**By the end of the didactic sessions' participants will be able to:**

- Analyze a range of oncoplastic breast surgical techniques and their indications in order to select the most appropriate procedure for individual patients.
- Identify the anatomy and principles of oncoplastic surgery and select the right patient population.
- Apply clinical tips and techniques for managing tumours in every location of the breast.
- Recognize how to manage potential complications arising from oncoplastic procedures.
- Demonstrate novel techniques for performing good oncoplastic mastectomies when breast conservation is not possible.
- Select patients who need immediate implant-based reconstruction.
- Recall tips and strategies to incorporate oncoplastic surgery in a highly efficient breast surgical practice.

**By the end of the simulation sessions participants will be able to:**

- Demonstrate patient assessment, markings, de-epithelialization and nipple recentralization.
- Show Crescent, Round Block, Racquet and VJ Mammoplasty techniques.

<b>AGENDA</b>	
<b>7:00-7:30</b>	<b>Breakfast and Registration</b>
<b>7:30-7:40</b>	<b>Opening Remarks – Dr. Muriel Brackstone</b>
<b>7:40-8:30</b>	<b>Introduction to Oncoplastics – Dr. Marianna Kapala</b>  <i><b>By the end of the session, participants will be able to</b>            Recognize types of oncoplastic techniques, indications for oncoplastic surgery and rationale for using these techniques</i>
<b>8:30-9:00</b>	<b>HANDS-ON PART 1</b>  <b>Crescent Mastopexy-De-Epithelialization and Level 1 Defect Closure - All Faculty</b> <i>Drs. Kapala, Brackstone, Hanrahan, Grant</i>  <i><b>By the end of the session, participants will be able to</b>            Practice level one oncoplastic techniques on breast simulators</i>
<b>9:00-9:20</b>	<b>Level 2 Round Block – Dr. Marianna Kapala</b>  <i><b>By the end of the session, participants will be able to</b>            Identify incision and indications/patient selection for Round Block mammoplasty and nipple recentralization aspects of this technique</i>
<b>9:20-9:40</b>	<b>Level 2 – Racquet – Dr. Renee Hanrahan</b>  <i><b>By the end of the session, participants will be able to</b>            Identify incision and indications/patient selection for Racquet mammoplasty and nipple recentralization aspects of this technique</i>
<b>9:40-10:00</b>	<b>BREAK</b>

10:45-11:15	<p style="text-align: center;"><b>HANDS-ON PART 2</b></p> <p style="text-align: center;"><b>Round Block and Racquet – All Faculty</b> <i>Drs. Kapala, Brackstone, Hanrahan, Grant</i></p> <p style="text-align: center;"><b>By the end of the sessions, participants will be able to</b> <i>Demonstrate incisions for these Level Two Oncoplastic techniques and practice recentralizing nipple and closing gland appropriately</i></p>
11:15-11:45	<p style="text-align: center;"><b>HANDS-ON PART 3</b></p> <p style="text-align: center;"><b>V-J Mammoplasty – All Faculty</b> <i>Drs. Kapala, Brackstone, Hanrahan, Grant</i></p> <p style="text-align: center;"><b>By the end of the session, participants will be able to</b> <i>Practice VJ mammoplasty techniques on breast simulator including optimizing glandular closure and managing the nipple location</i></p>
11:45-12:00	<p style="text-align: center;"><b>Markings for Level 3 Reduction Mammoplasty – All Faculty</b> <i>Drs. Kapala, Brackstone, Hanrahan, Grant</i></p> <p style="text-align: center;"><b>By the end of session, the participants will be able to</b> <i>Practice determining ideal and symmetric nipple location on breast simulator</i></p>
12:00-12:45	<b>LUNCH</b>
12:45-1:15	<p style="text-align: center;"><b>Level 3 Reduction Mammoplasty – Superior Pedicle – Dr. Aaron Grant</b></p> <p style="text-align: center;"><b>By the end of the session, participants will be able to</b> <i>Apply advanced methods of oncoplastic surgery including reduction mammoplasties and appropriate patient selection</i></p>
1:15-1:45	<p style="text-align: center;"><b>Level 3 Reduction Mammoplasty – Inferior Pedicle – Dr. Aaron Grant</b></p> <p style="text-align: center;"><b>By the end of the session, participants will be able to</b> <i>Apply advanced methods of oncoplastic surgery including reduction mammoplasties and appropriate patient selection</i></p>
1:45-2:30	<p style="text-align: center;"><b>HANDS-ON PART 4</b></p> <p style="text-align: center;"><b>Level 3 – Superior and Inferior Pole Reduction Mammoplasty – All Faculty</b> <i>Drs. Kapala, Brackstone, Hanrahan, Grant</i></p> <p style="text-align: center;"><b>By the end of the session, participants will be able to</b> <i>Practice breast marking techniques and both pedicle procedures on breast simulator including optimizing glandular closure and managing the nipple location</i></p>
2:30-2:45	<b>BREAK</b>
2:45-3:00	<p style="text-align: center;"><b>Complications – Dr. Renee Hanrahan</b></p> <p style="text-align: center;"><b>By the end of the session, participants will be able to</b> <i>Outline complications of oncoplastic surgery and how to manage them, including hematoma, lymphedema, flap necrosis and nipple necrosis</i></p>
3:00-3:45	<p style="text-align: center;"><b>Small Group Case Discussions – All Faculty</b> <i>Drs. Kapala, Brackstone, Hanrahan, Grant</i></p>
3:45-4:00	<b>Closing Remarks – Dr. Muriel Brackstone</b>
4:00-4:15	<b>Learners will complete the online program evaluation and feedback</b>

25% of this program is dedicated to participant interaction.

This program was co-developed with the Canadian Oncoplastic Working Group and was planned to achieve scientific integrity, objectivity and balance.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University. You may claim a maximum of 3.75 hours (credits are automatically calculated).

This activity is an Accredited Simulation Activity (Section 3) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, and approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University. You may claim a maximum of 2.25 hours (credits are automatically calculated).

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

***This program has received an educational grant support from:***

***Mammotome, Molli Surgical, Vector Surgical***
